SIR,

In submitting herewith the records relating to the introduction of Survey and Settlement to Jodi Kamagondahalli village Bangalore Taluk, received with Bangalore District Deputy Commissioner's letter -- No.C.1-3736/28-29 dated 1th November 1929, I have the honor to state that this Jodi village is an Inam endowed to the Sri Venkataramanaswami temple at Konatipet, Bangalore City and is under Government management since 1925 in pursuance of the Deputy Commissioner's order of 31-1-25 in the enclosed file. The Deputy Commissioner recommends introduction of Survey and Settlement into the village. The Inamdar temple is not in accordance with the recent orders of Government required to pay for the cost of survey, as the settlement is agreed to by the Muzrai --- Department on behalf of the temple. Only flag holders have to be -- supplied and boundary marks put up during survey operations. If the ryots holding kadim rights fail to render help to measure their lands and put up boundary marks, the cost for the same will be advanced from the temple funds and the work got through without any harkath, the same being recovered later on from the ryats. The cost for measuring and demarcating temple lands will be borne by the temples I request that sanction of Goverment may be kindly accorded to the above proposal to introduce survey and settlement to the Jodi village, the cost -----

being advanced from temple funds in the first instance.

I have the honor to be,

Sir,

Your most obedient servant,

R. N. Narasimha Ayy
Asst commissioner
for Muzrai Commissioner.
